

Join CMCC! Membership Registration Information

Who is CMCC?

Colorado Managed Care Collaborative (CMCC) is a non-profit group focused on educational programming and networking to advance the development and role of managed health care in Colorado. Our more than 200 members represent organizations from across the health care sector, including health plans, hospitals, provider groups, managed care organizations, technology companies, government sector, consultant groups, medical practices, and law firms.

Benefits of Joining:

- ✓ Free admission to most programs throughout the year
- ✓ Access to social events
- ✓ Industry exposure through networking and professional opportunities, including a job board
- ✓ Opportunity to help plan programming and events or participate on the board
- ✓ Access to program presentations and handouts

Annual Membership Levels:

Individual: \$65 or Student: \$30

Your company can also join as a CMCC sponsor for as low as \$600 annually. All sponsorships include complimentary individual membership(s). To learn more about sponsorships, visit www.cmccgroup.org/sponsorship.

For more information about sponsorships or membership, contact membership@cmccgroup.org.
